Invitation for Expression of Interest

Netaji Subhas University Of Technology (NSUT) established in the year 1983, previously known as Netaji Subhas Institute of Technology (NSIT) having excellence in Engineering & Technology Education, Research & Innovation situated in Sector-3, Dwarka, New Delhi-110078 spread over an area of 145 Acres. The Campus has various Institutional and Residential Blocks with lush green lawns having sub surface drip irrigation system Israel based Technology, spread over 20 acre areas and recreational spaces. The Campus maintains its discipline and also has compliance with environment. In the continuous environmental efforts, NSUT wants to turn its campus into an Eco-Smart Campus with Intelligent Management of Waste and waste water Sources with primary focus on making it Zero Discharge Campus.

For Management of Solid Waste and Waste Water / Sewage Disposal, NSUT invites “Expression of Interest” (EOI) from reputed firms in Sewage Disposal Sector for “Setting up a Sewage Treatment Plant (STP).

The interested parties may submit their Expression of Interest to Design, Build/Installation, Commissioning, Operation and maintenance for 15 years time period. The proposal shall take care of waste Water/Sewage generated from Residential and Non-Residential area of the University. The approximate number of users are as follows:-

S. No.	Descriptions	Strength
01.	Students in the Hostel	1500 Nos.
02.	Family Residing in Housing	150 Nos.
03	Students in the University	4000 Nos. (which are likely to double in next 5-6 years)
04.	Faculty, Staff and Visitors	1000 Nos. (which are likely to double in next 5-6 years)

Total quantity of water consumed per day 6.0 Lakh liters (approximate)

The Methodology used should be of appropriate technology in an Eco Friendly manner within the Govt. of India/Govt. of Delhi/NGT Environmental Rules & Regulations which can be beneficially used in an Institution. Treated Effluent should confirm the established standards for flushing use in toilets and horticulture purpose.

- Interested firms shall submit two copies of “Expression of Interest” along with a soft copy, in sealed envelope duly super-scribed “Expression of Interest for Setting up Sewage Treatment Plant (STP) at NSUT” up to 3:00 PM on 26.06.2019 at the address given below along with following documents/details:
 - Detailed Proposal/Methodology for treatment of Waste water clearly describing the proposed treatment technology, processes, Operation and Maintenance regime and technical details on all major elements of the facilities. The proposal should be properly page numbered.
 - Proposed business model for management of the facilities on sustainable basis.
 - Company profile giving details of Organization set up mentioning whether proprietorship, partnership, private Limited or Public Limited and Staff strength.
 - Particulars of similar works completed satisfactorily along with performance certificates issued by the client in the last 10 years ending March, 2019 and those in hand, if any.
- The interested parties may form Joint Venture (JV) also, subject to the condition that JV partners would be limited to two (including the lead partner) subject further to the condition that one of the partners must be India based. For international firms it is necessary to form JV with an Indian firm having adequate experience and resources.

This notice is only for inviting Expression of Interest and not for Pre-Qualification. Response to this call shall not confer any right whatsoever for being considered for award of work at any stage.

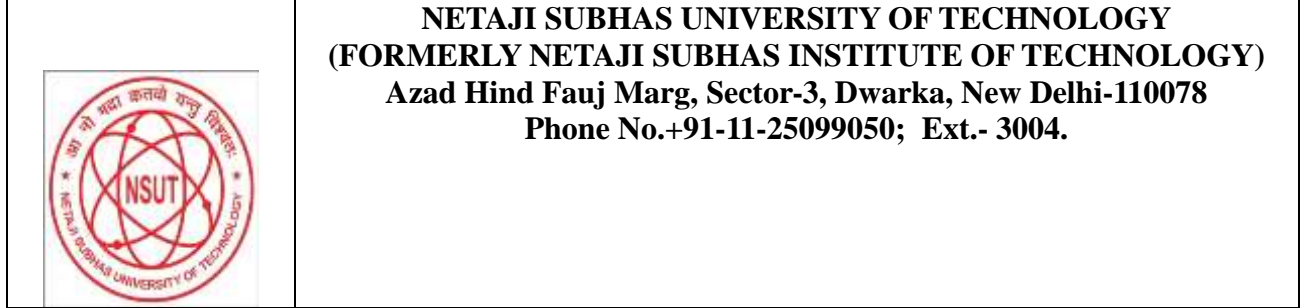

Only those firms who respond to this invitation for EOI and who are shortlisted will be considered for subsequent Request for Proposals/Tender Process. Decision of NSUT in this regard shall be final.

NSUT reserves the right to reject any or all EOIs without assigning any reason whatsoever.
